Certification

Leading House for the Latin American Region

The Leading House for the Latin American Region certifies that the bilateral joint project “Fog Computing for Fog Harvesting and Environment Monitoring (FOG2)” received a Seed Money Grant 2018 from the Leading House for the Latin American Region.

The Centro Latinomamericano-Suizo of the University of St.Gallen (CLS HSG) has been mandated by the Swiss State Secretariat for Education, Research and Innovation (SERI) to act as Leading House and promote the development and coordination of joint research cooperation programs with Latin American countries.

The bilateral project was successfully fulfilled by Prof. Dr. Torsten Braun of the University of Bern (Switzerland), Prof. Dr. Eduardo Cerqueira of the Federal Uni. of Pará (UFPA, Brazil) and Dr. David Carrera-Villacrés of the Univ. de las Fuerzas Armadas (ESPE, Ecuador).

Kind regards,

Program Manager for Bilateral Research Programs
Leading House for the Latin American Region
